

**1st FAIR AND INTERMODAL RIVER LOGISTICS
INTERNATIONAL CONFERENCES**

16 – 18 MAY 2023

STUDIO 5
CONVENTION CENTER

MANAUS – AMAZONAS - BRASIL

In the last 10 years, it has become the most important **Intermodal River Logistics Fair in Latin America**, proving to be an effective tool that attracts entrepreneurs from all over the world determined to do business in South America, an excellent platform to connect people, companies and organizations in an intelligent way.

Fair that was born in Assunção in Paraguay, is in its 10th edition, with an annual growth of 30% of participants, serving as a platform for the realization and date of business.

Starting this year, all this experience, contacts and business development disembarks and docks in **MANAUS**.

IMPORTANT DATA **NAVEGISTIC - 2022**

PROVEN EVIDENCE

Currently, NAVEGISTIC is the best navigation fair in the region. For our company it is an essential event, as it allows us to show our progress with the most important references in the sector. **Shipyards Rio Parana Sur AR - Marco del Monte - Presidente**

NAVEGISTIC allows the visibility of who has something to show or say, personal contact between customers and suppliers, being aware of the opinion of the authorities and discussing with them bureaucratic obstacles or asymmetries, presenting new technologies, learning about training offers, knowing the perspectives of the activity and close trade deals. **Agencia Grupo El Huar AR Daniel Rey - Presidente**

NAVEGISTIC Allows to bring together in a single place the Companies of the Naval sector, local and international Suppliers with current and potential customers. **Prosem/Proviserv PY - Helio Centurion - Diretor**

Navegistic represents for Kenport, the meeting point with the main waterway players. We are pioneers in sustainable energy trading that protects the environment, among others. Undoubtedly, an efficient and friendly space to do business. **Kenport UY - Daniel Agüero - Presidente**
